- ▶ Malaysia
- ▶ New Zealand
- ▶ Long Angeles

We operate a close-knit network with 90 countries, and cooperate closely with partner companies In a further 30 countries. We are worldwide!

# Our Services

We are a full service procurement and logistics solutions company

## CONSULTANCY

We offer consultancy services for when your goods are too sensitive to be outsourced or just to help optimise your home grown processes

## CLEARING

We prepare and submit documents and represent our clients to the customs service to facilitate import and export of goods

## HAULAGE

Covering the last legs of your supply chain is as important as any other stage of the supply chain. That's why we offer efficient haulage services backed by GIT insurance

## WAREHOUSING

In the event that you are unable to take immediate delivery of your goods, we offer efficient warehousing services at reasonable fees

## PROJECT LOGISTICS

We plan, organise and manage the process and control the entire flow of materials and goods as well as the associated information flows for your civil works

## DOCUMENTATIONS MANAGEMENT

Our document workflow solution coupled with our subject matter expertise help to speed up processes and ensure bottlenecks are resolved on time

## RAW MATERIALS PROCUREMENT

You can take advantage of our extensive network of partners to find materials at more agreeable terms for your operations

## IMPORT & DUTY FINANCING

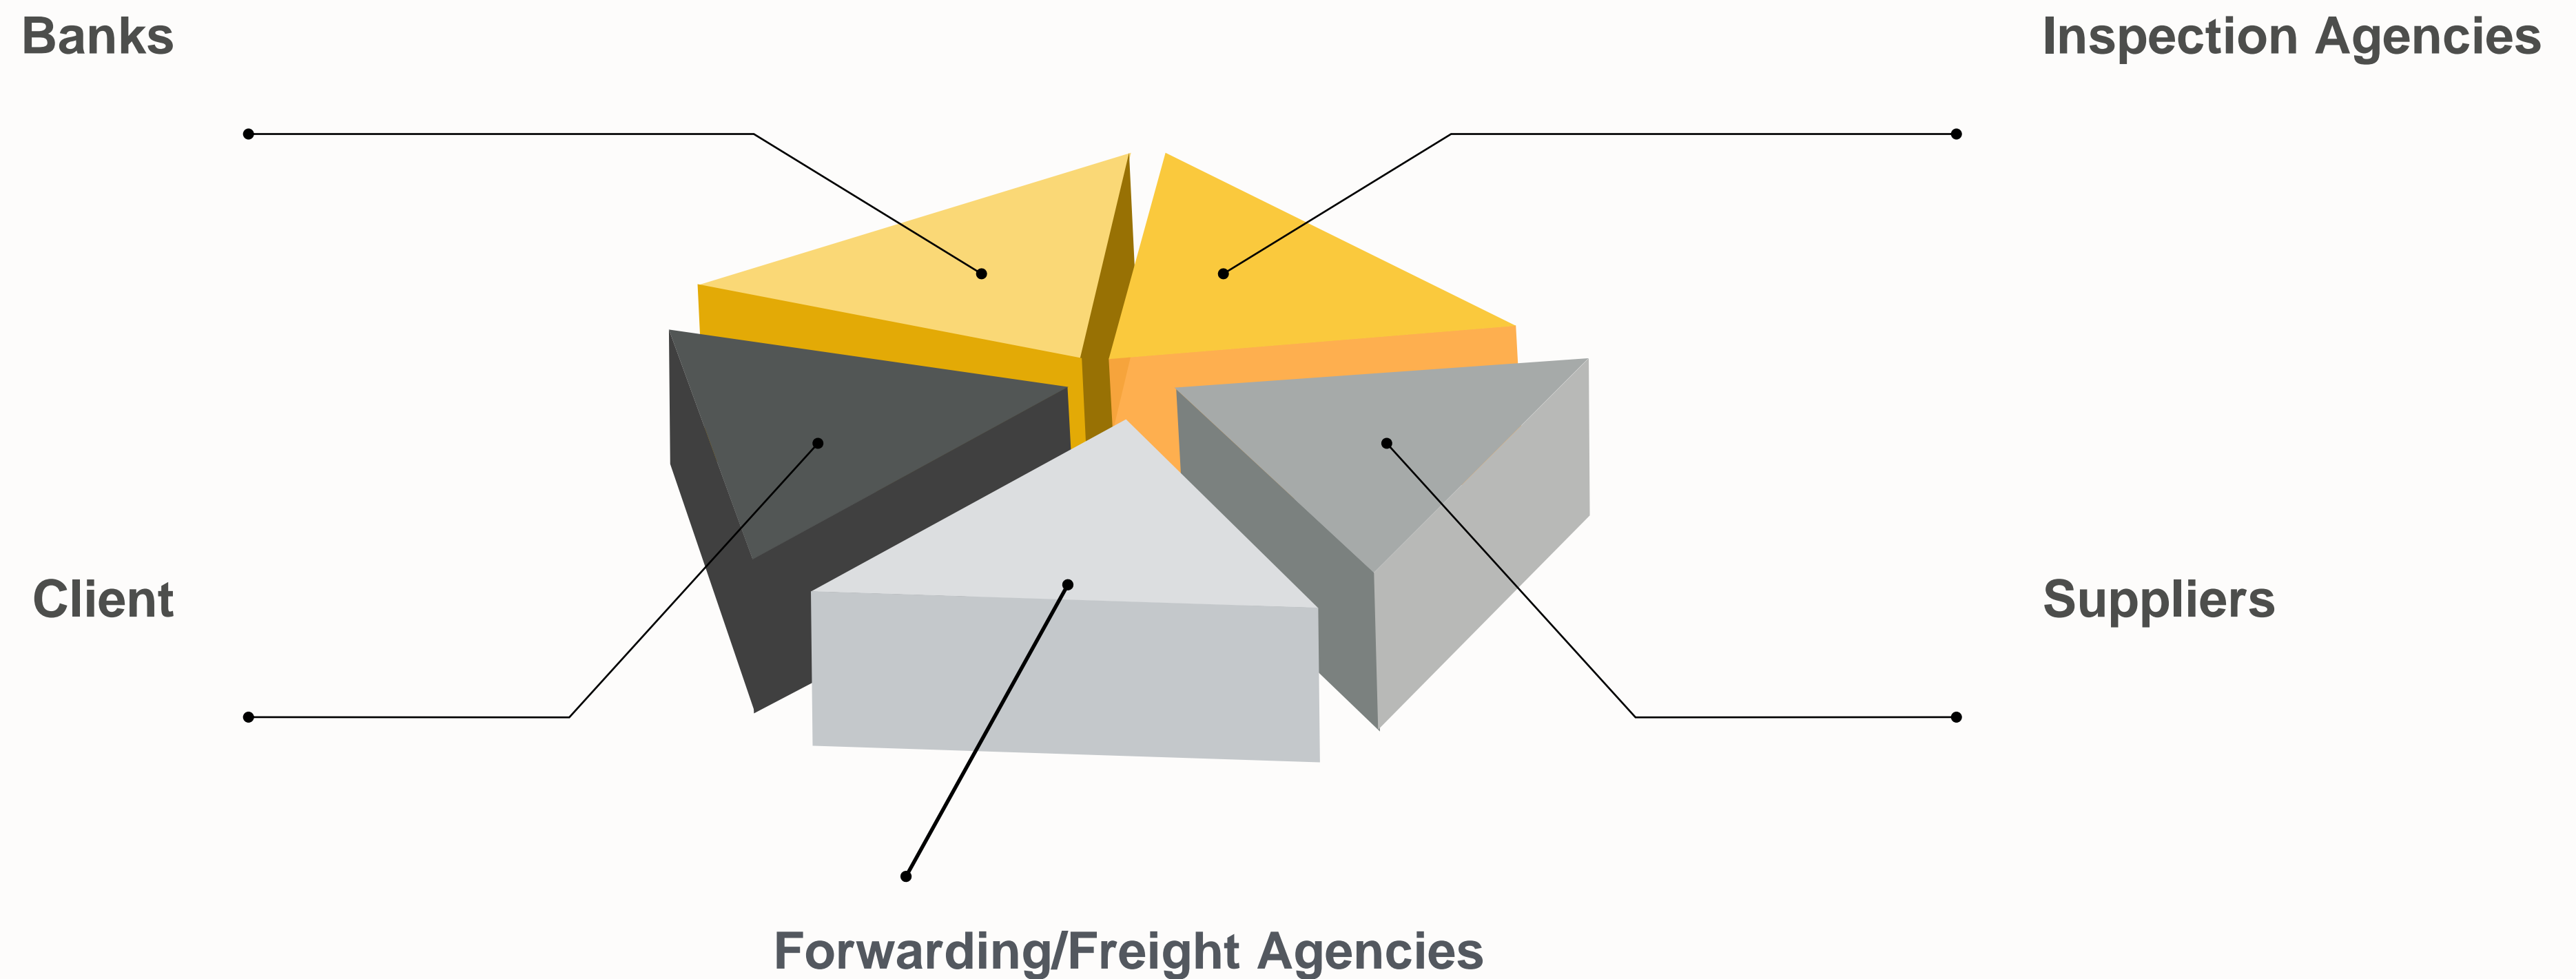

We finance all processes involved in the importation of goods from the supplier to the final delivery at the warehouse.

# Process Coordination

How we operate

Our Objective is to maximize efficiency. By intensely collaborating with the various Parties, OCTO9 operates as the centralized contact point for information and job coordination, and thus, we ensure the speedy delivery process for all of our Client's consignments.

# Responsibility Matrix

How we operate

Our Objective is to maximize efficiency. By intensely collaborating with the various Parties, OCTO9 operates as the centralized contact point for information and job coordination, and thus, we ensure the speedy delivery process for all of our Client's consignments.

The sample responsibility matrix helps specify responsibility for determined tasks and therefore improve efficiency.

Tasks	Supplier	Client	Agency
Determine Goods Availability	X

Pro Forma	X		X
Insurance			X
Form M			X
Book Shipping	X		
Inspection	X		
Bill of Laden Documentation	X		
Duty Payment		X	
Customs Clearance			X
Additional Insurance (GIT)			X
Haulage			X
Delivery			X

# What We Do ?

Logistics Solutions

## Professional Logistics Services

Octo9 will check-up and review all documentation prior to inspection & shipment to ensure its conformity.

Octo9 will work hand-in-hand with Client to coordinate the availability of materials and set the inspection and freight dates adequately.

Octo9 shall advise Client on the best HS Codes to be used so Customs queries and duty over-payments are minimized.

### Added Value

Octo9 will be the single point of contact for the entire import process which will optimize Client's profitability = time & money

For High-Profile Clients like Client, the visible interface will be Octo9. Thus, reducing the direct interference of Government agencies during and after the import process.

### Reporting and updates

Logistics / Operations reports will be communicated to Client online upon every movement of Client's consignment.

### Commitment

Octo9 will commit to the cost and delivery dates set in its original quote to Client.

# What We Do ?

Sea Logistics & Clearing Solutions

## Fast and Stress Free Customs Clearing Services

*OCTO9 has its own in-house clearing department along with a co owned (exclusive) clearing agency, aiming to be in full control of the clearing process at the various seaports and airports, while handling the haulage deliveries to Client's designated warehouse.*

Unrivalled connections with the ground and administrative Nigerian Customs officials as well as the remaining Port Authorities. Any problem is resolved on the spot at the least cost.

### Advantages

Use of OCTO9 as a single agent for freight and clearing. This allows for a better consolidation of documentation and a faster clearing process.

### Ease in obtaining pre-release orders.

Immediate notification to Client of incorrect or missing documentation and information. Problems are rectified quickly and efficiently.

### Commitment

Octo9 can commit to clearing any airport consignment within 5 working days and seaport consignments within 10 working days. *(if all documentation is available and correct).*

# What We Do ?

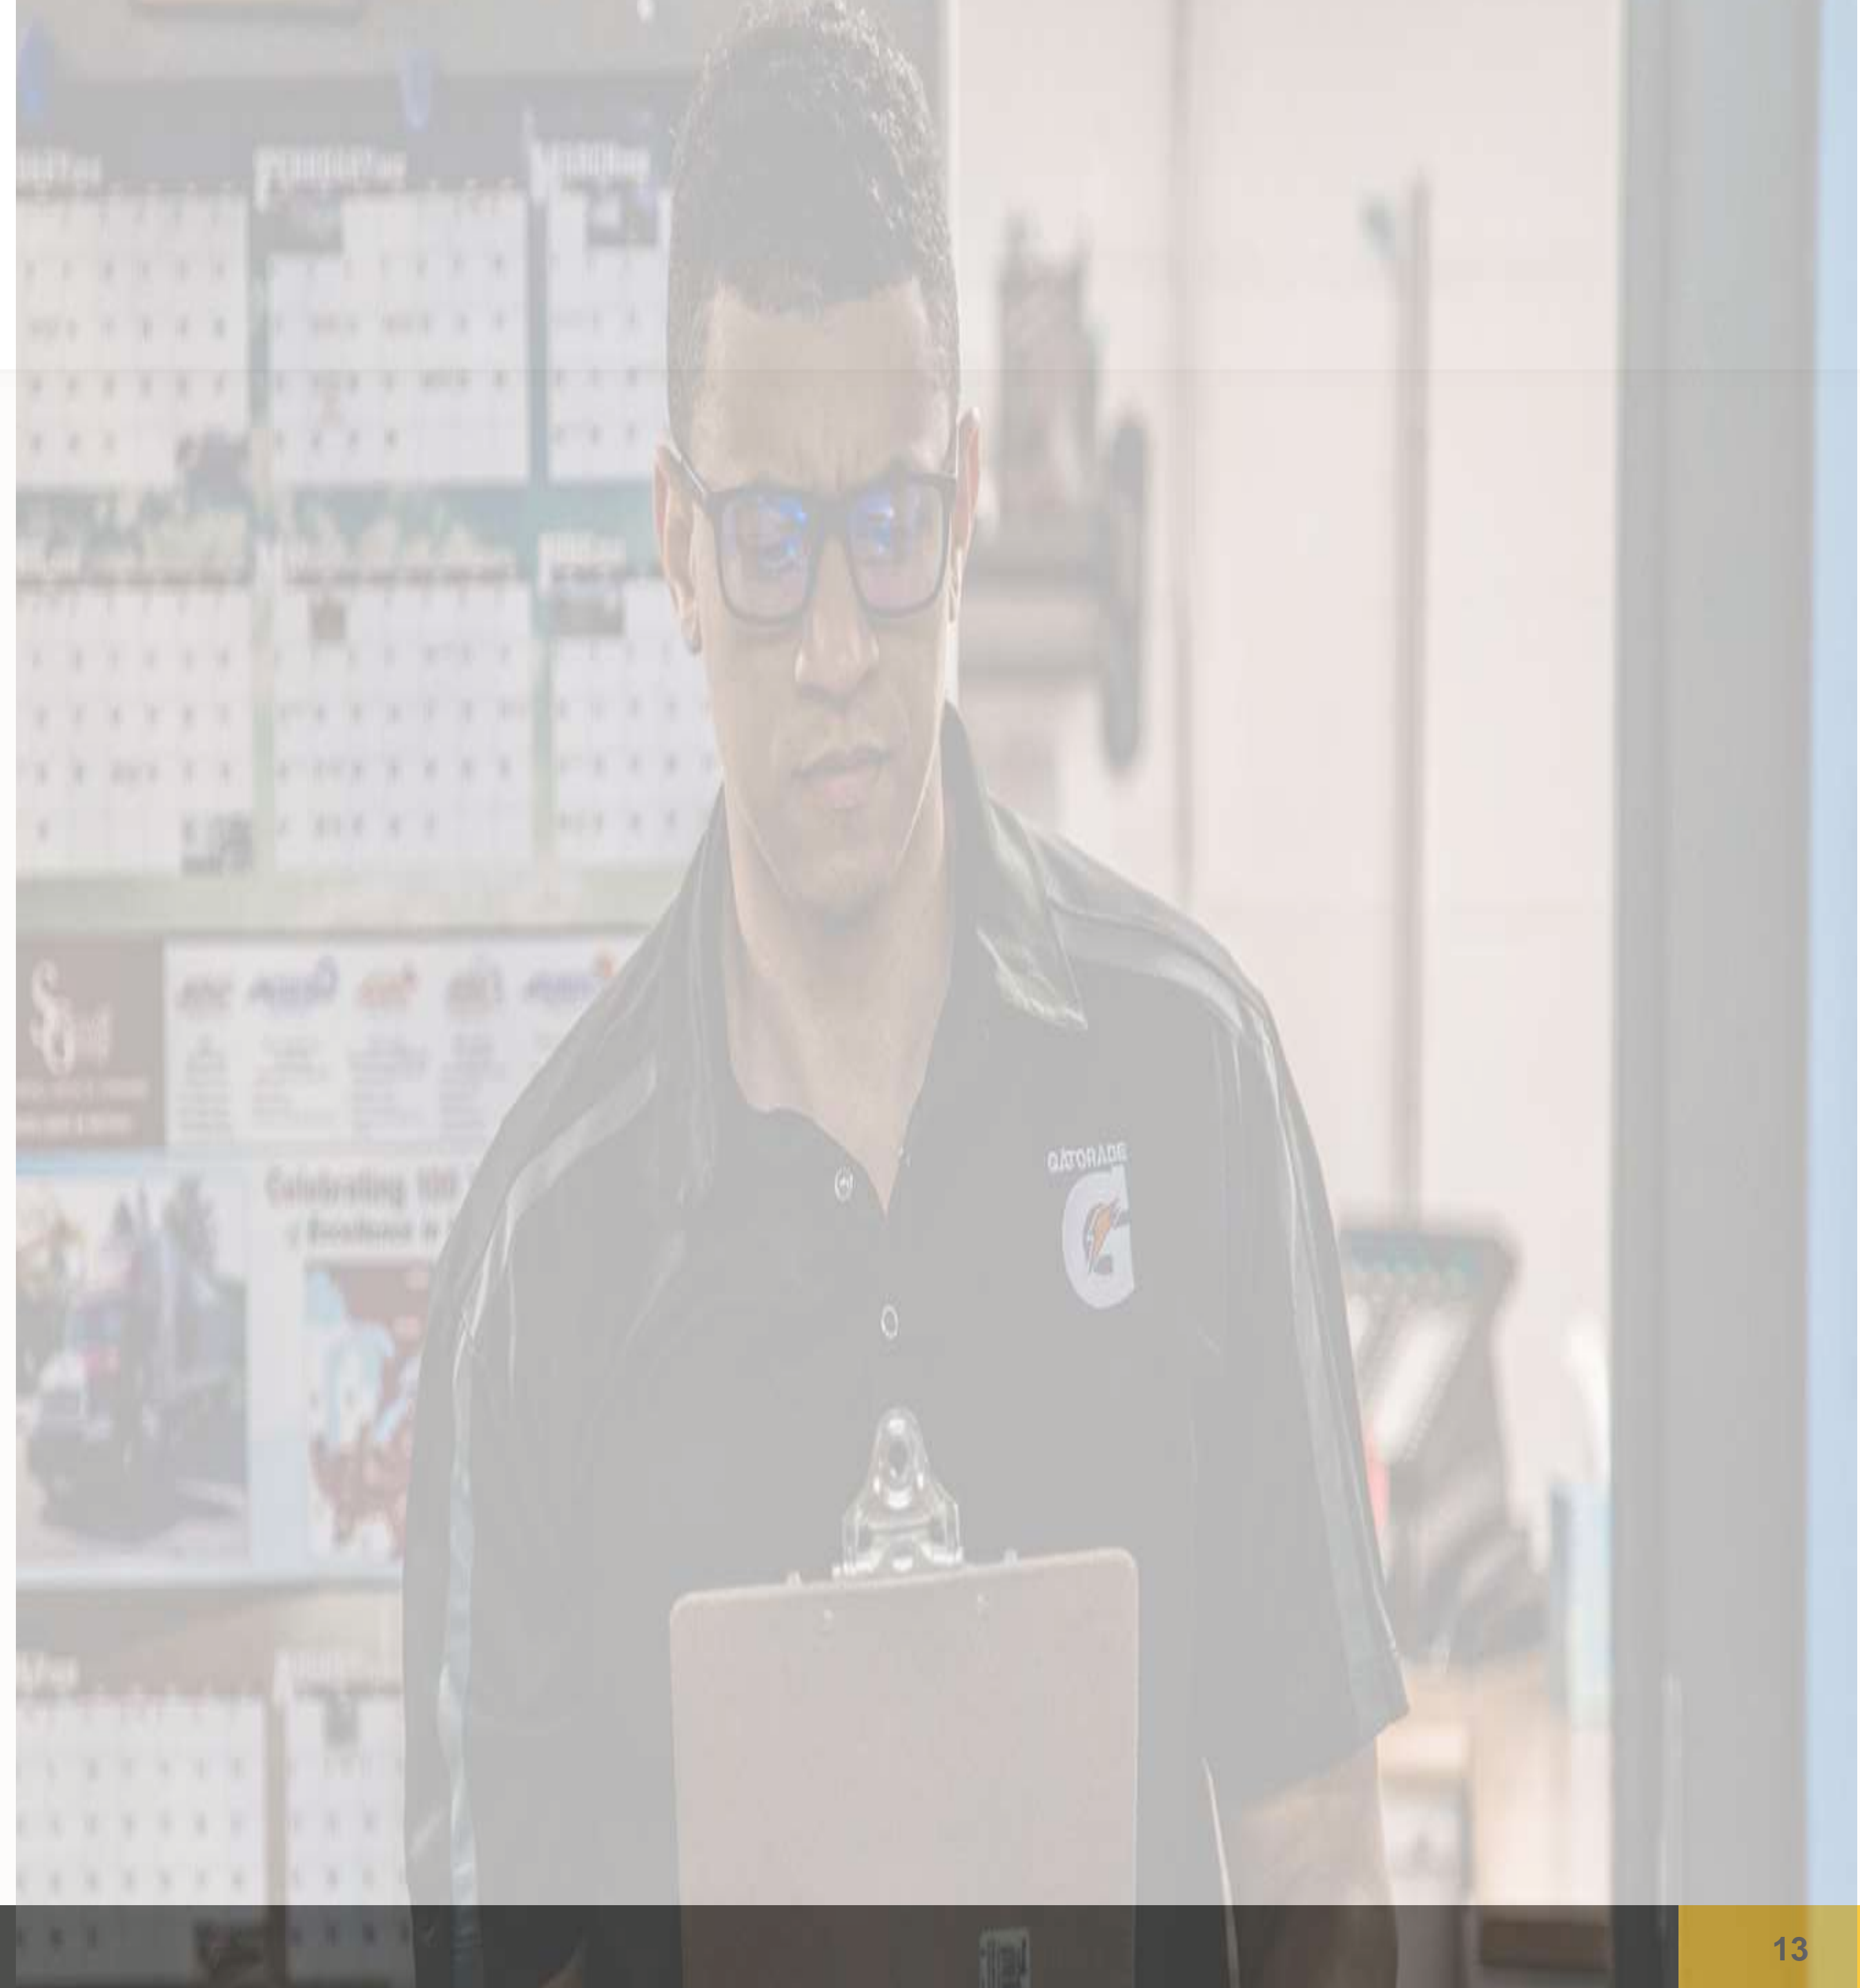

Documentation & Time Management.

## Professional and long experienced approach to Document Handling

Our team of professionals diagnose your needs in order to develop strategies to optimize deadlines and delivery schedules, as per Client's priority scale.

Our experts with deep knowledge in Import Documentation ensure proper coordination between Supplier and Shipper on the availability of goods, vessels or flights.

Professional team handling duty rates to be used while filling out the Form-M, avoiding delays caused by queries in the clearing process attracting un-budgeted duties and port clearing charges.

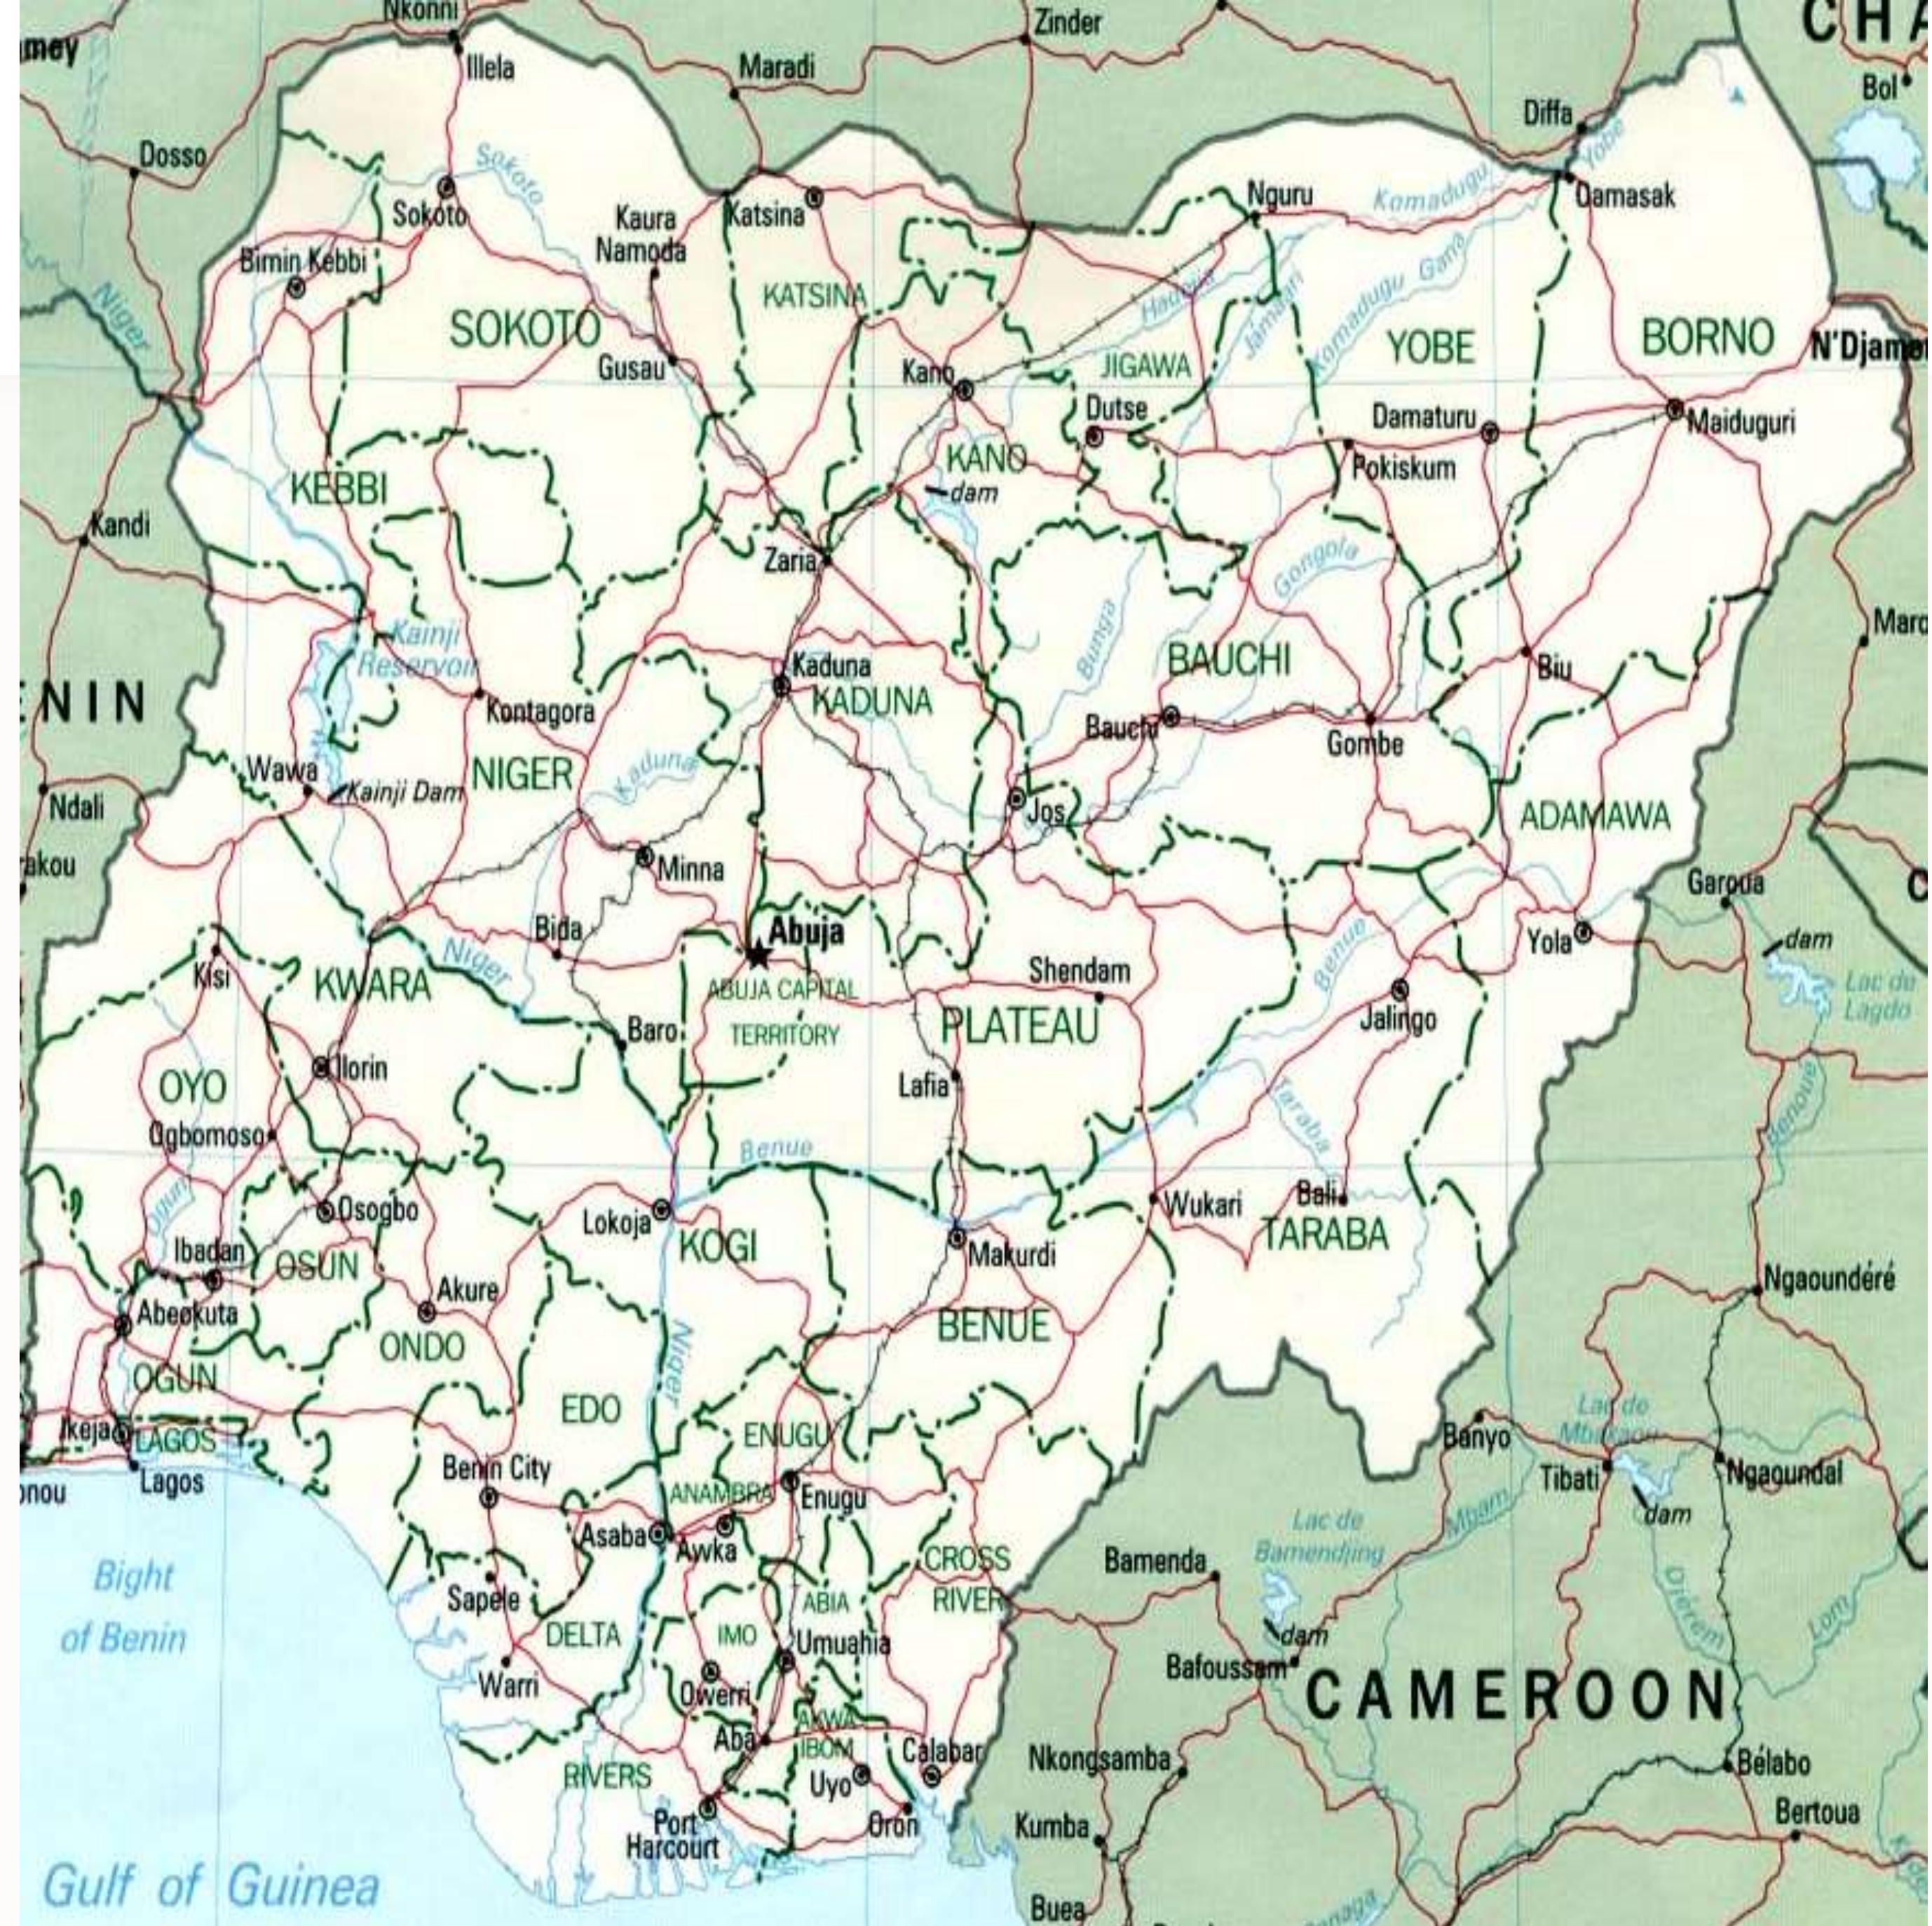

# What We Do ?

## Haulage Solutions

### Speedy Delivery on Road Haulage Nationwide

OCTO9 has the ability to efficiently deliver Client's materials throughout Nigeria with the following advantages

- Insurance coverage on goods in transit
- Commitment on delivery schedules
- Competitive prices due to large volumes carried for Clients
- Loading and Offloading capabilities using adequate equipment (forklifts, cranes, etc.)

# What We Do ?

## Warehousing Solutions

### Efficient and Professional Warehousing and Stock Handling

OCTO9 meet the need of Client for standard warehousing with stock management solutions for the storage, release and distribution of their products

#### Our services include

- Stock Management
- Stock Distribution and Deliveries
- Packaging and Labelling Solutions
- Hazardous & Sensitive Materials Storage Zones (climate controlled)
- Remote Monitoring Solutions
- Intrusion and Fire Control Security Systems

# What We Do ?

Courier (Door-to-Door) Service

## Quick & Efficient Courier Services

With partnership links with various forwarding companies worldwide, Octo9 can pick-up Client's consignments from anywhere in the world and deliver to the desired destination(s) without the need for import documentation.

### Strengths

- Much faster import process. Orders are usually delivered within 5 working days from pick-up date, from source.
- Three incoming courier flights per week.
- octo9 handles large volumes and heavy consignments (up to the use of Antonov and B747 aircrafts)
- Door-to-Door service expertise
- Airport charges are invoiced as receipted.

# What We Do !

Infographic

## Add Value

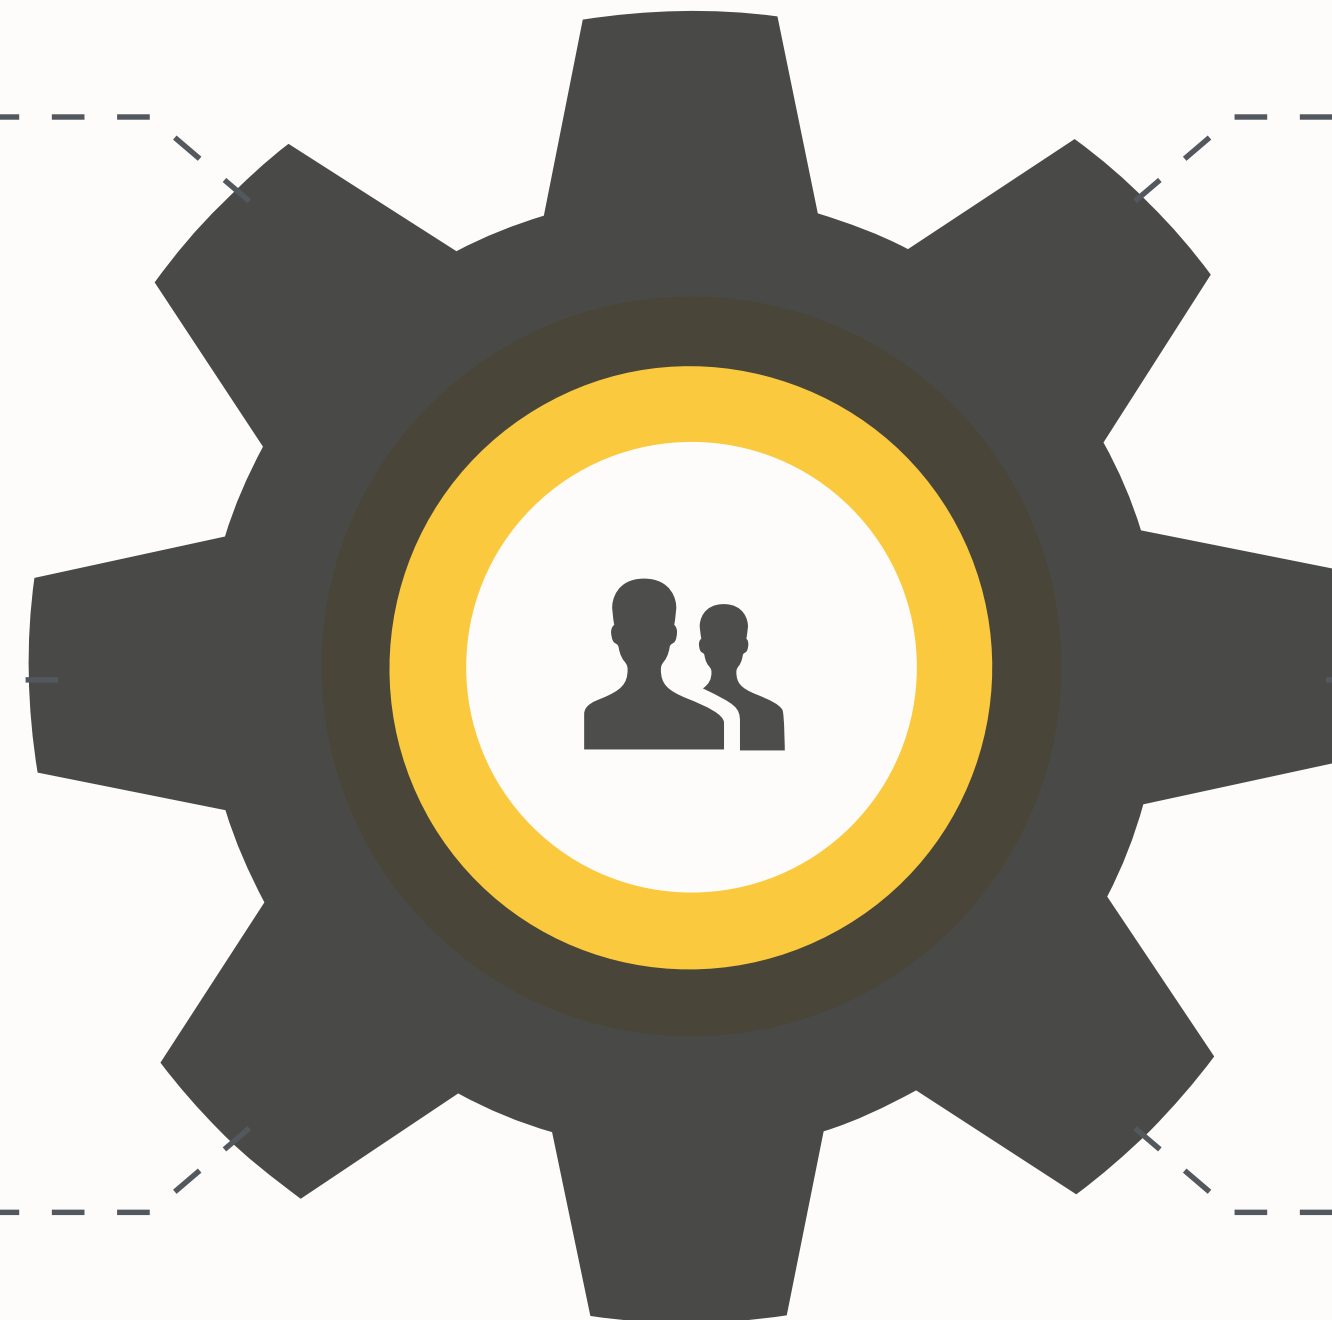

Single point of contact for the entire import process to optimise your profitability and save you time and money

## Advise

Advise on the best HS Codes to use so Customs queries and duty overpayments are minimised
